

Julia Kemper Aragonez

As refreshing and invigorating as summer breezes, with a playful twist around a velvety and passionate body.

The **Aragonez** / Tinta Roriz variety is considered by many to be one of the ex-libris of the Iberian Peninsula, producing robust, dark and very aromatic wines.

Julia Kemper Aragonez wine stands out for its intense ruby-garnet color. Aroma with notes of fresh blackberries, light spice and hints of pine. Elegant and delicate wine, with an excellent balance between acidity and soft tannins. The fresh and mineral notes stand out, as well as its distinctive persistence, designing a wine with an exceptional character.

As it is a very fresh **Aragones wine**, is especially suitable to accompany meats with structure – such as the roasted piglet from Bairrada or a sea bass from the Atlantic, preferably from January (fatter), baked in the oven. It should be served at 16 degrees.

Profile

Good expression of the Aragonez grape variety from Dão. Velvety body, dry, with a singular character.

Tasting Notes

Deep ruby wine. Aroma with wild blackberry notes, slight spice and shades of pine trees . It shows an elegant and delicate body with soft tannins, fresh and engaging.
