

Julia Kemper Curiosity Red

With an exquisite profile, elegant, sophisticated and full of character. An irreplaceable companion for those special moments.

Profile

Wine with rich aromatic complexity. Good intensity and refinement. Unique character of a Dão full of character.

Tasting Notes

Deep ruby coloured wine. The aroma is complex and delicate, revealing blackberry notes combined with shades of violet, bergamot, spices and soft woods expressions. In the mouth it is velvety, with the presence of educated and well-designed tannins. It presents a balanced structure with long and exquisite bouquet end.

Gastronomy

Red meats dishes, with strong and intense structure.
