Lote 3

Dão DOC 2021 Red

Enterprise

This project was born from the will of three winemakers, Jorge Moreira, Francisco Olazabal and Jorge Serôdio Borges, to make a wine together. The chosen place was the Dão, a region for which there was a common admiration, the result of tasting wines from the 60's and 70's, which surprised by their elegance and freshness. The remarkable identity and complexity of these wines served as inspiration for MOB wines

Vineyard

The vineyards, for a total of fifteen hectares (composed of 5ha of old vines located in Gouveia and 10ha of vines over 20 years old in Seia) are located in one of the coldest places in Dão, the foothills of Serra da Estrela, 550 meters of altitude, planted in granitic soil with the traditional grape varieties of the region.

Wine

Lote 3 comes from three vineyards located in Gouveia and Seia. It was vinified in stainless steel vats, with gentle extractions. It aged for 12 months in used oak barrels of 225 liters. It seeks to be an old-fashioned Dão, with a modern approach. Lightly coloured, fresh and easy to drink like the wines of the past, it is current viticulture and oenology that provides balance, aromatic beauty and fruit intensity in the mouth.
