

# Sharish Gin Original

## PRODUCTION DETAILS

This is a true product of Portugal, fabricated using only local products carefully grown by the producers themselves. The base spirit for this expression is an interesting formula, crafted using a mixture of molasses, rice, and wheat. The distillation process is conducted with nine specially selected botanicals, including juniper, cinnamon, coriander seeds, cloves, vanilla, orange peel, lemon peel, apple Bravo Esmolfe, and verbena. Interestingly enough, the creator of this gin is actually a teacher of tourism by trade who, unoccupied in a teaching gap, began experimenting with friends to find the perfect flavour for gin in somewhat unusual botanicals. The result is this superb creation, in which the creativity and the love for gin are palpable in every sip. Give a twist to the traditional G&T with this special spirit.

**Category:** Gin (Spirits)

**Producer:** Sharish Gin

**Volume:** 70cl

**Alcohol Vol.:** 40%

**Region / Country:** Alentejo / Portugal

**Awards:** 2016: Silver Medal - International Wine & Spirit Competition

## TASTING NOTES:

**Colour:** Sharish Original has the elegant, colourless appearance of gin.

**Aroma:** Citrus bouquet full of orange peel and lemon scents, sweet Bravo Esmolfe apple, and hints of vanilla.

**Taste:** The classical taste of juniper is accompanied by spicy hints of cloves and coriander seed. Gentle and sweet on the palate, with earthy notes of coriander, and a lingering fruity sensation.
